'Sustinere Green Global Awards' are being hosted at National & International Level and will be conducted on regular intervals. These Awards recognize organization's that are leaders in embracing and promoting Environmental, Health & Safety initiatives, ESG, CSR, Skill Development and Social Consciousness throughout all facets of their operations, from governance to employees, covering their products and services and engaging all stakeholders. These Awards aim to support socially responsible investments in corporates and encourage government at the local and national level to lead by example and set the foundation for a sustainable economy and society. The Awards are aligned to the United Nation's Sustainable Development Goals that sets forth agenda to tackle economic, social, and environmental challenges by 2030 and climate change imperatives to reduce net emissions of all greenhouse gases to zero by 2050.

The Award

'Global CSR Iconic Awards 2023' recognize the initiatives of the organizations that have made positive impact on the society through their innovative and sustainable CSR Initiatives. This award aims at identifying and recognizing the efforts of companies in integrating and internalizing Corporate Social Responsibility (CSR) into their core business operations. The award recognizes efforts of the companies which engage in CSR in a strategic and systematic manner and integrate it with their overall corporate strategy. This initiative is aimed at providing an opportunity to companies to showcase exemplary initiatives taken up by them.
