**"Sustinere Green Global Awards"** are being hosted at National & International Level and will be conducted on regular intervals. These Awards recognize organization's that are leaders in embracing and promoting Environmental, Health & Safety initiatives, ESG, CSR, Skill Development and Social Consciousness throughout all facets of their operations, from governance to employees, covering their products and services and engaging all stakeholders. These Awards aim to support socially responsible investments in corporates and encourage government at the local and national level to lead by example and set the foundation for a sustainable economy and society. The Awards are aligned to the United Nation's Sustainable Development Goals that sets forth agenda to tackle economic, social, and environmental challenges by 2030 and climate change imperatives to reduce net emissions of all greenhouse gases to zero by 2050.

## Global ESG Impact Awards 2023

Recognizes organization's that are leaders in embracing and promoting environmental and social consciousness throughout all facets of their operation from governance to employees, covering their products and services and engaging all stakeholders (customers, suppliers, investors and the wider community). The aim for the Awards is to be a platform for leaders and industry professionals to not only establish themselves as frontiers but to also learn from alike and master the evolution of their portfolios and initiatives to achieve compelling results. The Awards showcase the best ESG performance in line with the UN's 17 Sustainable Development Goals. An important part of this is to communicate your success to your stakeholders. ESG awards will create a competitive and transparent forum for companies to compare and celebrate their ESG improvement and performance against their peers.

## Objective

- SGGA Recognize outstanding achievements and innovative efforts to promote action on the Sustainable Development Goals and reward at national, regional and international levels.
- SGGA Awards have been celebrating organization and professional across the world who have been re-thinking ways to drive progress towards the 2030 Agenda.
